## COMMENTS

I do not have an income at the moment. I do not have any investments. I have not worked since my job closed during the 2020 pandemic. I had \$20,000 saved after I stopped working, and at the start of the 2020 pandemic. I have been a student for the last five years (2020 - 2025). I took out student loans during that time so I was able to pay for college and get by without working. I graduated with an M.B.A in June of 2025. I am in the grace period still with my student loans.
