|  | EdFinancial        | 2016-2025     | Student Loans         | \$50,001 - \$100,000   |
| COMMENTS: I have taken on a substantial debt to make an investment in myself because I want to Know Stuff About The Environment professionally.          |                    |               |                       |                        |
|  | Firstmark Services | 2016-2020     | Private Student Loans | \$50,001 - \$100,000   |
| COMMENTS: I also took on substantial debt from the private market to invest in myself because I want to Know Stuff About The Environment professionally. |                    |               |                       |                        |

SCHEDULE E: POSITIONS

| Position  | Name of Organization                 |
|---|--------------------------------------|
| Research Assistant  | Univeristy of Denver                 |
| COMMENTS: Research Assistant at the DU microbiology lab, specifically the wastewater CoE where we researched Wastewater-Based Epidemiology.   |                                      |
| Water Rights Intern   | Denver Water                         |
| COMMENTS: Spent a summer at Denver Water interpreting water rights documents, reviewing new water applications for potential injury to the City of Denver, building models, doing analyses, etc.                                |                                      |
| Substitute Teacher  | Kelly Services/Aurora Public Schools |
| COMMENTS: I work for a staffing agency that contracts with Aurora Public Schools to provide substitute teachers for teacher absences. All grades K-12, though I focus on high school science classes that I can actually teach. |                                      |
| Environmental Science Expert Contributor  | Snorkel AI                           |
| COMMENTS: Provided questions for training AI on environmental science and reviewed other contributors submissions.  |                                      |

SCHEDULE F: AGREEMENTS

None disclosed.

SCHEDULE J: COMPENSATION IN EXCESS OF \$5,000 PAID BY ONE SOURCE

| Source (Name and Address)  | Brief Description of Duties |
|--|-----------------------------|
| Kelly Services (Aurora, CO, US)  | Substitute Teaching         |
| COMMENTS: Filling in for teacher absences at Aurora Public Schools. K-12, though I mostly focus on high school science classes when I can get them.  |                             |
| University of Denver (Denver, CO, US)  | Research Assistant          |
| COMMENTS: Wastewater-based epidemiology research. WBE lets you test 10,000 people at once with about the same time and resources it takes to test one person by testing wastewater instead of individuals. It's the sort of thing you'd care about if you wanted to make government more efficient and America more healthy. |                             |
| Denver Water (Denver, CO, US)  | Water Rights Intern         |
| COMMENTS: Spent a summer reviewing water rights documents, making models, doing analyses, etc.   |                             |
